

Central Cabarrus Bands Sponsorship 2022-2023

The Central Cabarrus Bands are looking for sponsorships to help our program continue to grow!

The band will march and perform their field show during halftime home football game performances, as well as several marching band competitions this year. The indoor concert ensembles will also continue to grow as they prepared for their Winter and Spring concerts throughout the year. You have the opportunity to help us grow and make our program flourish!

The estimated cost of marching band per student is \$500.00. Even with those funds, our band program still needs financial support. Therefore, we especially need help from businesses like you to help us achieve our vision for our students. All money donated will be used for the betterment of our Central Cabarrus Bands.

Business Sponsorships are available at the following levels:
